If you've ever considered a private school, we invite you to check out Resurrection Lutheran School and Child Care.

Here you will find a talented staff of degreed, licensed, and highly qualified teachers and aides, each one dedicated to providing your child with the finest education possible.

In fact, our students regularly test at two grades above their age level on the Iowa-Based Standardized Tests!

Equally important, they'll be taught sound Christian moral principles that will help them deal with the challenges they will inevitably face later in life.

In addition to classes for ages 2½ through the 2nd grade, we also offer before and after school care, from 6:00 a.m. to 8:30 a.m. and from Noon to 6:00 p.m. if desired.
(Plans to expand to 5th grade)

“Train up a child in the way he should go, even when he is old, he will not depart from it.”
