Jr. LYFR September Newsletter

Words can have negative baggage with them. Monday could just mean the first day of the work week OR it could mean the end of the weekend, which is always a bummer. Confirmation is a word that can bring up great memories for some and not so great memories for others.

I want to share with all of our Jr. LYFR youth what we're praying the word confirmation means to you throughout this coming year and for all the years to come as a Christ-follower for you.

***“Brothers, my heart’s desire and prayer to God for them is that they may be saved.”
Romans 10:1***

I pray that confirmation becomes a great change in your lifestyle to how you look at the day to day routine as well as the goals you begin to make in your life. I pray that as we grow in our Christian faith this coming year that we grow into Christ-followers who are praying that God uses us to reach out to our friends, our loved ones and everyone God places in our lives over the course of time.

Confirmation is all about reaching out, first we reach out in response to God’s invitation for us to grow in a relationship with Him and as we understand more and more how much Jesus means to our lives both here and in eternity; we’ll in turn want to reach out and share His great love with everyone we meet over the years.

So as we count down the weeks and days to the start of confirmation, I hope that the word confirmation makes you think of reaching out. God reaches out to us through His great victory for us in Jesus Christ so that we have real hope in this life and in turn we go and share that same victory with everyone God calls on us to reach out to! I pray this is what we do as a confirmation class this year, in Jesus’ Name, Amen!
